Not listed in the "citizen engagement" section. FBI report states that both the people murdered were "Law Enforcement/Security Personnel." There are two mistakes here. First, the members of the church were designated as security personnel as an honorary title. They were not security professionals. Second, only one of the two people murdered were involved with protecting the church. Anton Wallace did not have a permit and was not armed.	29-Dec-19	On December 29, 2019, at approximately 11:50 a.m., Keith Thomas Kinnunen, 43, armed with a shotgun, began shooting inside the West Freeway Church of Christ in White Settlement, Texas. Though not a congregant, the shooter was known to church members. Two people (armed members of the church's volunteer security team) were killed; two were wounded (from injuries incidental to the shooting). The shooter was killed at the scene by an armed citizen who led the security team.	White Settlement, Texas	West Freeway Church of Christ	House of Worship	2	2
The FBI report describes that the shooter was killed by an armed security guard. In fact, the shooter was killed by a citizen with a concealed carry permit.	27-Mar-20	On March 27, 2020, at approximately 6:20 p.m., an identified female, 34, armed with a handgun, began firing at people standing outside a shopping center in Tulsa, Oklahoma. There were no casualties reported. The shooter was killed by an armed security guard at the scene before law enforcement arrived.	Tulsa, Oklahoma	Unspecified Shopping Center	Commerce	0	0
The report doesn't mention armed citizen's involvement in the case. In fact, several bystanders returned fire, shooting the gunman in the leg.	27-Jun-20	On June 27, 2020, at approximately 8:59 p.m., an identified male, 23, armed with a handgun, began shooting into a large crowd of people in Jefferson Square Park in Louisville, Kentucky. One person was killed. The shooter was apprehended by law enforcement at the scene.	Louisville, Kentucky	Jefferson Square Park	Open Space	1	0
